

Staying Safe with Technology – Foundation / KS1

This is how we stay safe when we use computers:

- I will ask a teacher or TA in school if I want to use the computers/tablets.
- I will only use activities that a teacher or TA has told or allowed me to use.
- I will take care of computers/tablets and other equipment.
- I will ask for help from a teacher or TA if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or TA if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer/tablet.
