Space Dome – Wednesday 15th June 2022

Dear Parents/Carers,

We are delighted to be able to welcome the Space Dome back to school. We had originally planned for this to happen in the Autumn Term as part of our science work on space, but had to postpone it due to the pandemic. However, despite the delay, this will still be a great chance for the children to have an amazing educational experience and to reflect on their science from earlier in the year. If you would like to find out more about Space Odyssey, who provide these visits, you can visit their website at <http://www.spaceodyssey.co.uk/>.

Visits to school are an important and valuable part of a child’s education but, unfortunately, the school is not able to subsidise the full cost of this event so in order for it to take place, we do need to ask for a voluntary contribution of **£4** towards this experience. If your child is eligible for pupil premium, then we would request a voluntary contribution of half of this amount (£2). Contributions should be made online via ParentPay.

Your sincerely,
Natassia Doets and Stephen Ball
Year 5 Class Teachers

YEAR 5 SPACE DOME – WEDNESDAY 15TH JUNE 2022

Child’s name:Class: Owls/Kestrels

I have paid my voluntary contribution of £4 (£2) by ParentPay.
